

Safety Data Sheet according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations Revision date: 11/18/2021 Version: 1.0

| SECTION 1: Identification  |   |                  |  |
|--|---|------------------|--|
| 1.1. Identification  |   |                  |  |
| Product form   | : Mixture   |                  |  |
| Product name   | : Apex 19-6-9 Conifer with GAL-Xe   | ONE              |  |
| Product code   | : M75231  |                  |  |
| I.2. Recommended use and restrictions o  | 1 USe   |                  |  |
| Use of the substance/mixture   | : Fertilizer  |                  |  |
|  |   |                  |  |
| Supplier           JR Simplot Company  |   |                  |  |
| P.O. Box 70013   |   |                  |  |
| Boise, ID 83707  |   |                  |  |
| T 1-208-336-2110   |   |                  |  |
| 1.4. Emergency telephone number  |   |                  |  |
| 1.4. Emergency telephone number  |   |                  |  |
| Emergency number   | : CHEMTREC 1-800-424-9300   |                  |  |
| SECTION 2: Hazard(s) identification  |   |                  |  |
| 2.1. Classification of the substance or mix  | ture  |                  |  |
| GHS-US classification  |   |                  |  |
| Skin corrosion/irritation, Category 2  | H315 Causes skin irritation.  |                  |  |
| Serious eye damage/eye irritation, Category 2B<br>Full text of H statements : see section 16 | H320 Causes eye irritation  |                  |  |
| -ull text of H statements : see section 16   |   |                  |  |
| 2.2. GHS Label elements, including preca   | tionary statements  |                  |  |
| GHS US labelling   |   |                  |  |
| Hazard pictograms (GHS US)   |   |                  |  |
|  |   |                  |  |
| Signal word (GHS US)   | : Warning   |                  |  |
| Hazard statements (GHS US)   | : H315 - Causes skin irritation.  |                  |  |
|  | H320 - Causes eye irritation  |                  |  |
| Precautionary statements (GHS US)  | <ul> <li>P264 - Wash hands, forearms and<br/>P280 - Wear protective gloves/pro</li> </ul> |                  |  |
|  | P302+P352 - If on skin: Wash with   | plenty of wate   | er/                                      |
|  |   |                  | y with water for several minutes. Remove |
|  | contact lenses, if present and eas<br>P321 - Specific treatment (see su                   |                  |  |
|  | P332+P313 - If skin irritation occu   | s: Get medical   | attention                                |
|  | P337+P313 - If eye irritation persis<br>P362+P364 - Take off contaminat                   |                  |  |
|  |   | eu ciotining and | wash it before reuse.                    |
| 2.3. Other hazards which do not result in o  | lassification   |                  |  |
| No additional information available  |   |                  |  |
| 2.4. Unknown acute toxicity (GHS US)   |   |                  |  |
| Not applicable   |   |                  |  |
| SECTION 3: Composition/information   | on ingredients  |                  |  |
| 3.1. Substances  |   |                  |  |
| Not applicable   |   |                  |  |
| 3.2. Mixtures  |   |                  |  |
| Name   | Product identifier  | %                | GHS-US classification                    |
| Proprietary*   | (CAS-No.) Not Applicable  |                  | Not classified                           |
| 11/18/2021   | EN (English)  |                  | Page                                     |

Safety Data Sheet

according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations

\*Chemical name, CAS number and/or exact concentration have been withheld as a trade secret

Full text of hazard classes and H-statements : see section 16

| SECTION 4: First-aid measures                           |   |
|---|---|
| 4.1. Description of first aid measures                  |   |
| First-aid measures general                              | : Never give anything by mouth to an unconscious person. If you feel unwell, seek medical advice (show the label where possible).   |
| First-aid measures after inhalation                     | : Allow affected person to breathe fresh air. Allow the victim to rest.   |
| First-aid measures after skin contact                   | : Wash with plenty of water/ Wash contaminated clothing before reuse. If skin irritation occurs: Get medical advice/attention. Specific treatment (see supplemental first aid instruction on this label). |
| First-aid measures after eye contact                    | : IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present<br>and easy to do. Continue rinsing.   |
| First-aid measures after ingestion                      | : Rinse mouth. Do NOT induce vomiting. Obtain emergency medical attention.  |
| 4.2. Most important symptoms and effects                | s (acute and delayed)   |
| Potential adverse human health effects and<br>symptoms  | : Based on available data, the classification criteria are not met.   |
| Symptoms/effects after skin contact                     | : Causes skin irritation.   |
| Symptoms/effects after eye contact                      | : Causes eye irritation.  |
| 4.3. Immediate medical attention and spec               | cial treatment, if necessary  |
| No additional information available                     |   |
| SECTION 5: Fire-fighting measures                       |   |
| 5.1. Suitable (and unsuitable) extinguishin             | ng media  |
| Suitable extinguishing media                            | : Foam. Dry powder. Carbon dioxide. Water spray. Sand.  |
| Unsuitable extinguishing media                          | : Do not use a heavy water stream.  |
| 5.2. Specific hazards arising from the che              | mical   |
|   |   |
| 5.3. Special protective equipment and pre               | cautions for fire-fighters  |
| Firefighting instructions                               | : Use water spray or fog for cooling exposed containers. Exercise caution when fighting any chemical fire. Prevent fire fighting water from entering the environment.                                     |
| Protection during firefighting                          | : Do not enter fire area without proper protective equipment, including respiratory protection.   |
| SECTION 6: Accidental release measu                     | Ires  |
| 6.1. Personal precautions, protective equi              |   |
|   |   |
| 6.1.1. For non-emergency personnel Emergency procedures | : Evacuate unnecessary personnel.   |
| 6.1.2. For emergency responders                         |   |
| Protective equipment                                    | : Equip cleanup crew with proper protection.  |
| Emergency procedures                                    | : Ventilate area.   |
| 6.2. Environmental precautions                          |   |
| Prevent entry to sewers and public waters. Notify a     | authorities if liquid enters sewers or public waters.   |
| 6.3. Methods and material for containmen                | t and cleaning up   |
| Methods for cleaning up                                 | : On land, sweep or shovel into suitable containers. Minimise generation of dust. Store away from other materials.  |
| 6.4. Reference to other sections                        |   |
| See Heading 8. Exposure controls and personal pl        | rotection.  |
| SECTION 7: Handling and storage                         |   |
| 7.1. Precautions for safe handling                      |   |
| Precautions for safe handling                           | : Wash hands and other exposed areas with mild soap and water before eating, drinking or<br>smoking and when leaving work. Provide good ventilation in process area to prevent formation<br>of vapour.    |
| Hygiene measures  | : Wash hands, forearms and face thoroughly after handling.  |

Safety Data Sheet

according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations

| 7.2. Conditions for safe storage, includin | g any incompatibilities   |
|--|---|
| Storage conditions                         | : Keep only in the original container in a cool, well ventilated place away from : Keep container closed when not in use. |
| Incompatible products                      | : Strong bases. Strong acids.   |
| Incompatible materials                     | : Sources of ignition. Direct sunlight.   |

# SECTION 8: Exposure controls/personal protection

## 8.1. Control parameters

| Apex 19-6-9 Conifer with GAL-Xe ONE |  |
|-------------------------------------|--|
| No additional information available |  |
| Proprietary* (Not Applicable)       |  |
| No additional information available |  |

8.2. Appropriate engineering controls

## 8.3. Individual protection measures/Personal protective equipment

### Personal protective equipment:

Avoid all unnecessary exposure.

#### Hand protection:

Wear protective gloves.

### Eye protection:

Chemical goggles or safety glasses

### Skin and body protection:

Wear suitable protective clothing

### **Respiratory protection:**

Wear appropriate mask

#### Other information:

Do not eat, drink or smoke during use.

| .1. Information on basic physical and o    | chemical properties  |
|--|--|
| Physical state                             | : Solid  |
| Appearance                                 | : Granules.  |
| Colour                                     | : Mixture contains one or more component(s) which have the following colour(s):<br>Colourless or white Colourless to white Commercial substance: grey-green White Colourless   |
| Odour                                      | <ul> <li>There may be no odour warning properties, odour is subjective and inadequate to warn of<br/>overexposure.</li> <li>Mixture contains one or more component(s) which have the following odour:<br/>Odourless Mild odour Petroleum-like odour In moist air: Ammonia odour</li> </ul> |
| Odour threshold                            | : No data available  |
| рН   | : No data available  |
| Melting point                              | : No data available  |
| Freezing point                             | : No data available  |
| Boiling point                              | : No data available  |
| Flash point                                | : Non-flammable  |
| Relative evaporation rate (butylacetate=1) | : No data available  |
| Flammability (solid, gas)                  | : Non flammable.   |
| Vapour pressure                            | : No data available  |

# Safety Data Sheet

according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations

| Relative vapour density at 20 °C                | : No data available                  |
|---|--------------------------------------|
| Relative density                                | : No data available                  |
| Density   | : 62-66 lbs/ft3                      |
| Solubility                                      | : Slowly soluble, coating insoluble. |
| Partition coefficient n-octanol/water (Log Pow) | : No data available                  |
| Auto-ignition temperature                       | : No data available                  |
| Decomposition temperature                       | : No data available                  |
| Viscosity, kinematic                            | : No data available                  |
| Viscosity, dynamic                              | : No data available                  |
| Explosive limits                                | : No data available                  |
| Explosive properties                            | : No data available                  |
| Oxidising properties                            | : No data available                  |
| 9.2. Other information                          |                                      |
|   |                                      |

No additional information available

| SECT    | ON 10: Stability and reactivity |
|---------|---------------------------------|
| 10.1.   | Reactivity                      |
| No addi | tional information available    |
| 10.2.   | Chemical stability              |
|         |                                 |

#### Stable. Not established.

10.3. Possibility of hazardous reactions

Not established.

#### 10.4. Conditions to avoid

Direct sunlight. Extremely high or low temperatures.

### 10.5. Incompatible materials

Oxidizing agent. Prolonged contact may cause oxidation of unprotected metals. Strong acids. Strong bases.

**10.6.** Hazardous decomposition products

Extremely high temperatures. NH3, CN, SOx, POx. fume. Carbon monoxide. Carbon dioxide.

# SECTION 11: Toxicological information

| 11.1. Information on toxicological effects             |   |
|--|---|
| Acute toxicity (oral)                                  | : Not classified  |
| Acute toxicity (dermal)                                | : Not classified  |
| Acute toxicity (inhalation)                            | : Not classified  |
| Skin corrosion/irritation                              | : Causes skin irritation.   |
| Serious eye damage/irritation                          | : Causes eye irritation.  |
| Respiratory or skin sensitisation                      | : Not classified  |
| Germ cell mutagenicity                                 | : Not classified  |
| Carcinogenicity  | : Not classified  |
| Reproductive toxicity                                  | : Not classified  |
| STOT-single exposure                                   | : Not classified  |
| STOT-repeated exposure                                 | : Not classified  |
| Aspiration hazard                                      | : Not classified  |
| Viscosity, kinematic                                   | : No data available   |
| Potential adverse human health effects and<br>symptoms | : Based on available data, the classification criteria are not met. |
| Symptoms/effects after skin contact                    | : Causes skin irritation.   |
| Symptoms/effects after eye contact                     | : Causes eye irritation.  |
